DIANA FRIG!
SHE CAN'T RESIST A SNEAKY ONE!
SELENA'S OBSCENER!
BLIMEY OH RILEY!

I've been seeing Jess for six months now, and I still can't believe my luck. I'm 46 and she's 20 – and she is totally stunning. We met when I was staying at a hotel for a conference; she was working there and we just ended up getting together. My mates think I'm going through some sort of midlife crisis, but so what if I am? Look what I'm getting to screw! She's the smartest, sexiest woman I've been with in my life – and the filthiest. I'm still gobsmacked at what a dirty little cow she can be sometimes and there's not a day goes by that I don't thank my lucky stars that she's with me.

We are both aware that my one problem is keeping up with her mammoth sex drive, which is the one downside of being so much older, I guess. One afternoon while she was giving me head, Jess suggested that we get another bloke involved. I was a bit wary of sharing her, until she said she didn't want it to be a local guy, anyone we knew or a regular thing. She suggested that we go abroad for the weekend, she'd pull some stud, and put on a live sex show for me. Then we'd show him the door and shag the arse off each other. I was up for that, and at least it meant she wasn't just going to dump me outright for a younger bloke!

I did have one condition, however – we'd pretend to be a photographer and model, so I could direct all the fuck-action. Of course she was well up for that. We booked our tickets that night and headed for Amsterdam the following weekend.

Once we'd booked into the hotel and freshened up, we wasted no time in heading to a suitably touristy bar. There I watched as she chatted up this tall, blond, muscular guy. I'd been helpless the night she'd got off with me as she wrapped me around her finger, and it seemed that she was having the same effect on him. It didn't take long for Jess to beckon me over, introduce me as her photographer and saucily proposition this handsome stranger.

His name was Kai, he was Dutch, and he didn't hesitate. Well, who would? As soon as we got back to the hotel, I opened a bottle of fizz, while Jess made our gust feel more comfortable. I started snapping from the off, so they'd both get used to the camera as soon as possible. I decided to let them do their own stuff – all I said was that I wanted it raw and dirty – but threw in a bit of direction when I wanted to. I had to remind Kai who was in charge, after all!

**"SHE SANK DOWN ON HIM, HER PINK PUSSY STRETCHING TO TAKE HIS GIRTH."**

After they had snogged for a while (and he'd had a good old grope), I asked Jess to do a strip for the camera. She did exactly that, playing with her tits and pussy as she got naked, stealing little winks and glances at the camera and getting Kai all steamed up. By the time I told her to peel off his jeans, his cock was as erect as a flagpole.

Before I could give any more instruction, Jess sank down on her knees, licking her lips, before tonguing and sucking his balls. She didn't use her hands, she just mouthed and gently pulled on his sack with her lips, so his cock was quivering above her face, dripping pre-come down his shaft.

I knew she wouldn't be able to resist that for very long, so I zoomed in close as she ran her tongue up the underside of it, flicking the tendon under his helmet, then just engulfing his whole bulb in her hot little mouth.

He let out a massive groan, and I saw him clench his arse like he was panicking that he'd shoot his load right then, but to give him his dues, he held it together well.

That blow-job was just a tease for starters, anyway. Jess gave him a playful shove, so he fell backwards on the bed, legs dangling off it. She climbed on top of him, giving me the best angle of her beautiful pussy and crack as she wanked his cock against her clit. Then she sank down on him; inch by inch, her wet pink pussy stretching open to take his thick girth. He was straining hard, veins popping up on his tool, but she carried on tormenting him, pulling herself completely off him, so his helmet slipped out.

"Just fuck the poor bloke!" I told her, and obligingly she took him in her fanny, all the way down to his balls. She rode him really hard, her arse pistoning up and down on his prick. He was giving as good as he got, hammering up into her and grabbing handfuls of her ample tits to suck on.

This was so horny and I was capturing it all on camera! Confident now, I told him to flip her on her back and really stick it to her. Kai's English was pretty fluent, and he sure as fuck understood that! He rolled her over, shoved her legs up and back and started banging his cock up her again.

I got some real hardcore shots of his balls bunching up against her arse as he thrust in deep, and the bubbling juices he forced out of her shaved snatch. But I wanted her to finish him off with her mouth. I told him this, and he pulled out, trailing his cream-coated prick up her body. As he knelt over her head, Jess grabbed it and rubbed it all over her face, then took it in her mouth, wanking away at his shaft. She shut her eyes, savouring the taste of his salty meat. I saw his cock jump in her mouth, then he omitted a groan and panted that he was coming. But Jess just carried on sucking, taking most of his load in her mouth, before finally letting him spurt

## Yearning Latin!

*Dear Club DVD,*

It had never really occurred to me before your last issue, but I've come to realise that, given the choice of sexy women from all over the planet, I think I'd go for a hot Latina babe every single time! I was completely blown away by Selena in your latest issue, and am desperate to know more about her – any info would be much appreciated!

*Darren, Bedford.*

*Well Darren, she's Selena Rose and has, according to a quick online search, made going on for 130 mucky movies – each and every one of which is no doubt all the better for her presence!*

## Webb Access!

*Dear Club DVD,*

I just had to drop you a line in praise of the sensational pictures of Jasmine Webb in 14.04 – she really is one of the most stunning models in the country. I only wish there were more black girls in the business, but with a girl as hot as Jasmine happy to show off her gorgeous body and that delicious looking pink slot of hers I can't really complain too much, I guess.

Please get her back in again soon, because at the rate I'm going I'm sure I'll have, er, worn out my magazine and DVD with her in before long!

*Mark, Lincoln.*

the last few jets over her chin and tits. She was so sexy, dribbling out what she'd taken in her mouth, so I could get the best cum-shot I could.

I thought she'd at least let Kai hang about for a ciggie or a drink afterwards, but she had the poor bloke dressed and out the door pretty much straight away! I wasn't complaining, though. My prick was aching in my pants – I'd resisted the urge to wank but now my balls felt like they were going to burst! Jess sucked her finger provocatively and beckoned me over to her, laying back and spreading her legs, holding her puffed-up and soaking wet pussy open for me.

Who knows how I lasted long enough to bring her off, but after that I only had a couple more pushes in me before I climaxed myself. Still, I told Jess to stay right where she was, and snapped away as I smeared spunk and pussy juices on her tight pink arsehole. Then, once I was hard again, I photographed my cock sliding up inside, slow and easy...

We've planed another dirty weekend away for next month, and Jess's promised to get a girl involved as well this time. Best midlife crisis ever!

# JASMINE

# JASMINE

We seem to have gone a bit Jasmine crazy of late, with Jasmine Webb in the last issue and now not one but two Jasmines in this issue! Still, aside from the confusion it might cause in the office and among you lot, we'd happily cram an issue with girls called nothing but Jasmine if they looked anywhere near as cute as this specimen! She's pretty much the perfect package, so we'll shut up now and let you see for yourselves...

# AMBER NECTAR!

**Britney Amber is an amazing looking woman and she is just getting better with age! She is a very fun-loving and sexy woman and, needless to say, Club DVD jumped at the chance to hook up for a chat.**

**We don't know what you've done but you look better now than you did when you started in the industry 12 years ago!**
Thank you! I think the main thing is that my hair is completely natural now. I grew out anything that's ever been processed or dyed at all. When I change my hair even a little bit, I'm a completely different person. I think that my natural hair colour does it for me. As far as workouts, I've always been pretty consistent. I've been changing up things which is good for breaking plateaus. That may be helping.

**How did you come up with your stage name?**
Before I was doing porn, I was working at the Moonlight Bunny Ranch in northern Nevada. I used to love that show. I used to be a hotel auditor before I got into the adult industry. It was a graveyard shift from 11-7 so I would watch the Bunny Ranch and all the adult shows on HBO. I thought it would be awesome to work there. My name there was Britney Angel and when I started doing movies, he told me there were already two Britney Angels so I should probably change my name. My real first name is a 5 letter A name so I chose that. But I was really just planning on doing a few movies and be out but here I am, 12 years later! Still feeling it!

**For fans that are new to you, what are some of your favourite scenes that you could recommend?**
There is one that just came out from Adam & Eve, directed by Kay Brandt, The Motor Bunny Club. I love this movie so much! I had 3 scenes in this movie. Not only is it a funny movie, so well written, and I had some amazing scenes in this but every scene had the Motor Bunny. It's like a Sybian! It's the most amazing toy of all-time! And then to make it more awesome, on the last day of shooting, Kay gave me one of the motor bunnies! It's like the Motor Bunny Buck that had some karate chopping action and all these crazy attachments. It's worth thousands of dollars. It's the most amazing gift I've ever been given!

**So how often do you use that Motor Bunny?**
Not as much as I would like to because that thing is so loud! It's almost like a paint mixer or a lawn mower, some heavy duty equipment. The thing weighs like 50 pounds too! Even when we were shooting this movie, it was in this huge mansion, if we used it in one room, you could hear it all the way across the house! When I have some alone time, I use it, or on cam shows. Every cam show that I've done since I got the thing, I've used it. (laughs)

**Are you submissive or dominant?**
I am definitely dominant 100%. I can pull off being a sub but I don't really do too much BDSM stuff. I do some here and there when I'm hired by Kink. For a long time, Kink hired me only to be a sub. Just recently, I got to do two dom scenes for Everything Butt. I got to work with Penny Pax for one of them and Skylar Snow for the other. It was so exciting! I can't wait to dom more!

**Have you ever dommed a guy in real life?**
Yes but it was more so at the Bunny Ranch. There were a few times that I did it. There was some nasty, freaky stuff that these guys would come up with. They never cease to amaze me.

**What's the nastiest thing you ever did up there?**
Oh man. (laughs) There was this guy called Freaky Frank. His thing was thigh high stockings so if you were wearing thigh highs, you were probably getting picked by him. We were laying in bed and he wanted me to put on stockings that covered my vagina and went all the way up to my waist. He put on nipple clamps and would have me pull them and every time I pulled them; he would give me $20. It was just weird; I didn't really understand it. I didn't want to be too greedy but he would tell me to do it harder. But he wanted me to do it and I collected some money. I guess it wasn't gross but it was a little weird. I have a YouTube channel that I tell about some of my experiences up there. There's some really freaky stories.

**Would you be willing to work with a TS girl?**
Yes, for example, we've been talking about Bree Mills. She has a trans site and I would definitely like to do that.

**Are you a size queen? Do you like huge cocks?**
My average is probably bigger than most people's average but I like 8-9".

**Do you have any fantasies you would like to live out on camera?**
A few years ago, I wanted to be DP'd for a long time because I didn't do anal on camera. But when I finally did anal, it was a package deal with the company that I do a DP as well. That was amazing, I loved that. I tried double vag when I was in Europe working for Legal Porno. That was only for a second, but I would like to try it again and do an actual scene of that. A lot of people ask me when I'm going to do double anal. I don't know about that. I don't know if it would feel better than double vag or what. I'm still apprehensive about that. That's still quite a few years out. It will definitely happen, for sure.

**What do you look for in a guy off camera?**
I have been single for 6 years now. The longer that I'm single, the more I become so detached with that. When situations come up or someone's interested in me, it makes me uncomfortable or squeamish.

I don't know how to react anymore! I don't even know what my preference is anymore. Maybe I should start getting back into that scene but it's really hard doing this for a living and dating someone, whether they're in the industry or not. It's really hard for many reasons.

**What have you learned about yourself sexually since joining porn?**
I feel like I knew myself sexually when I started but now I feel like I don't know anything at all! Maybe it's being dominant. I've always been kind of dominant in my sex life but the more and more sex I have, it comes with that. When you realize what you like and don't like; what works for you and doesn't, then you want more control. Let me take the reins.

**Do you ever get recognized by the public when you're out and about?**
Yes, sometimes. It's always weird encounters though. For example, a few times at the airport but it's like, 'Do you do movies?' They don't want to just ask if you do porn, it always dances around the question and is awkward.

**You just had a compilation disk released, The Dark Side of Britney Amber. Tell me about that one.**
That's a compilation of scenes I've done for Dogfart. There's all kinds of good things in there. A blowbang, a gangbang, a boy/girl/girl with Keisha Grey, a gloryhole scene…there's all kinds of good things in that one.

**You've won two Nightmoves Awards, 5 years apart for Best Female Performer. That must make you feel pretty good!**
Oh yeah, for sure! I was so shocked to win those! I couldn't believe it. I also won my first XBiz award last year for Best Sex Scene for a clip site and that was totally amazing.

## "I TRIED DOUBLE VAG. THAT WAS ONLY FOR A SECOND BUT I'D LIKE TO TRY IT AGAIN."

**You have recently been in a couple of mainstream productions. First, lets talk about Girls, Guns and Blood. Tell me about that.**
It's a Grindhouse style, Quentin Tarantino style action movie. I have a starring role in this movie. It's about a group of guys who rob this brothel, they kill the madam and they kill the bartender. Four of the girls come together and they come up with this revenge plot to kill these guys and get their money back. It has a really great story, and I got to really act in this movie and make this character my own. You can get it on Amazon Prime, ITunes, Google Play… all the platforms.

**Then you're also in The Arrangement. What's that about?**
Hopefully that's coming out at the end of this year. That's a more high budget production. It stars Eric Roberts and he plays the devil. He makes 12-year deals with people. It's a thriller/horror movie. I'm so excited about that. The trailer is out already on YouTube.

**What are you like off-camera? When you have free time, what do you do for fun?**
Normally, I do archery and bow hunting but lately I've been traveling so much for feature dancing that I haven't shot in a while. The last shoot I did was in May. I haven't really shot my bow too much since then. I have a few targets set up in my backyard that I shoot at. When I have a day off, my favourite hobby now is sleeping.

**What kind of music do you like?**
I listen to everything. Right now, I've been listening to a lot of Podcasts on Youtube. I've been listening to Queen a lot and 80s and 90s stuff.

**Do you have any favourite movies?**
My favorite nostalgic movies are the Hellraisers. My favorite Hellraiser is Bloodline which everybody thinks is the worst one. I don't get that at all! For a long time, Godfather was the ringtone on my phone but I just recently changed it to Jurassic Park.

**CJ: And how can the fans follow you on social media?**
Britney: On Twitter, I'm @Britney_Amber. And Instagram is the same.

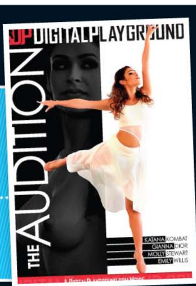
## The Audition

"We call this the Nutcracker!"



**Starring:** Gianna Dior, Emily Willis, Katana Kombat, Molly Stewart.

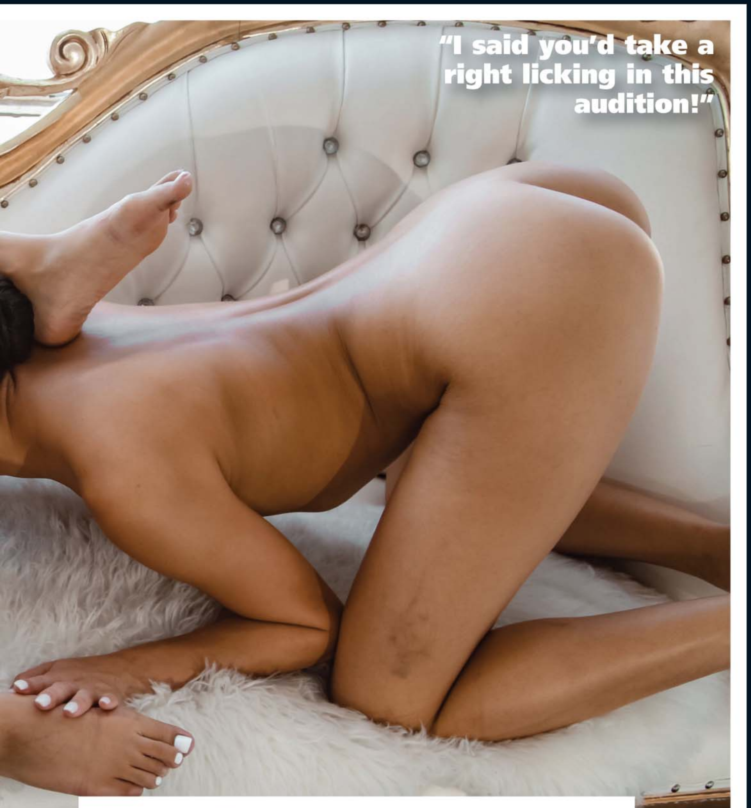
**Available From:** Digital Playground.

Despite appearances, we're a highly cultured lot here at Club DVD – we're always swanning off to the theatre or the opera whenever we get the chance, if only to get a few hours' respite from all the delectable young ladies taking their clothes off for us at work. So when word reached us that Digital Playground were planning to shoot a ballet-themed flick our interest was naturally pricked, even if it did mean we'd have to pay the price by watching some of the sexiest creatures on the planet having it off! On this occasion it's a brace of Latina lovelies who are the main attraction, with Emily Willis and Gianna Dior looking almost identical when they come on set (a bright warehouse located in the very heart of porn valley) for the shoot, their black hair pulled tightly back into buns and sporting the same skimpy dance costumes. Well, telling them apart as the action unfolds is going to be tricky, so I was thankful that I clocked Gianna's black nail varnish early on – this is definitely be the first time I spend much of my time gazing at the girls' fingernails on one of these occasions!

The nubile, small-boobed pair definitely look like they'd be capable of throwing a few ballet-style shapes in the interest of their art today, but before the high culture begins we've got a bit of cattiness to get out of the way – acted rather than real life cattiness, I'd better add! It seems that both girls have been called for the same audition, and they're none to happy about it, with Gianna landing a convincing slap round Emily's chops before they start a girly wrestle to settle their differences.

Thankfully British stud Marcus London soon intervenes, chastising the pair and telling them he's going to have a dance-off for the role. Well, they do their best, bless 'em but it's clear dancing isn't really their forté – especially as the twirling and leaping ends with a mutual embrace and a snog!

# f The Dance!



"I said you'd take a right licking in this audition!"

Clearly this is much more to Marcus's liking, and taking their cue from his signs of approval, the pair head to the sofa and waste little time in stripping off. When Emily buries her face between her friend's thighs and tucks into her neatly manicured snatch she in turn presents her upturned arse to Marcus, who's soon got his cock out, already primed for action.

Once the girls notice it they're quick to abandon their lesbiary and, with Gianna leading the way they slink over to Marcus and take it in turns to give his cock a good chowing, working on tip, shaft and shaven balls frantically. They really go to town, with Emily putting in some fine deep-throating moves along the way.

Well, there's only so much of that sort of thing a fella can withstand without bringing a premature end to the scene, so the trio finally head back to the sofa where the girls resume their original position, this time with Marcus burying his thoroughly slobbered pussy deep into Emily's inviting twat from behind. He slams away in a frenzy, sending magnificent little ripples of flesh cascading up Emily's shapely arse. The shagging's clearly so intense Emily soon abandons the attention she's been lavishing on Gianna's pussy, instead concentrating on the reaming she's on the receiving end of – not that Gianna seems to mind too much, as she encourages her fuck-buddy with another – more playful this time – slap.

> **EMILY BURIES HER FACE BETWEEN HER FRIEND'S THIGHS AND TUCKS INTO HER NEATLY MANICURED SNATCH..."**

Her patience is rewarded soon enough and after withdrawing from Emily for another quick nosh from the girls, this time it's Gianna's go to right the Brit's knob. Sitting himself down on the sofa, Marcus offers up his prick and Gianna clambers on board, where she sets about riding him cowgirl and giving the room their first proper look at her firm arse as it slams up and down.

Not wanting to be too left out, Emily perches herself precariously on the uncomfortable looking back of the sofa and offers up her shaven snizz to her chum, And Gianna does her best to give it a good lap as she bounces away merrily on Marcus's pole.

Despite all that's been on offer so far, the mucky pair clearly haven't lost their taste for prick, and it's soon all change again and Gianna clambers off and they deliver one more double blowie to the stud, this time both of them giving him the deep-throat treatment, their noses nestling in turn on his ballsack as they eagerly take everything he's got

Even now, after what must be nigh on 30 minutes of being lavished with attention by two of the hottest girls in the business the veteran woodsman's still got something left in the tank – he's up for a bit more shagging, and it's Emily's go first, reclining on the sofa while Marcus has another bash at her silky slit. Varying the pace between frantic and measured, he soon has the randy minx squealing in delight while Gianna lends a hand, literally, by rubbing her friend's clit as Marcus ploughs away.

Finally, when Marcus has clearly got all the evidence he needs to make up his mind, the girls kneel before him and take their facefuls of goo, which they eagerly swap before the stud shuffles off to get dressed to deliver his verdict. But who's the winner? I won't spoil the ending, but… well, who really cares?

**Remember when a certain type of woman would be described as 'All fur coat and no knickers'? Well Stasia just about manages to avoid that category by having remembered to don some knickers for this shoot, and unlike most girls we shoot she actually kept them on for this shoot – albeit yanked to one side or tugged down a bit. Well, that's not exactly true, because they did come off in the end – as did Stasia herself (quite spectacularly) – but those pictures are far too rude for us to print here!**

## ASYLUM/THE HOUSE THAT DRIPPED BLOOD

**Second Sight Films**

**Peter Cushing, Charlotte Rampling, Britt Ekland, Christopher Lee, Parick Magee…**

…and loads more, with the likes of Denholm Elliott, Ingrid Pitt and Jon Pertwee also putting in appearances. If you think that's quite a cast list, albeit for two films, these are actually portmantau pieces with each film being mde up of horror shorts linked together in some devilish way. Asylum sees Robert Powell (we didn't mention him, did we?) trying to determine which inmate is the former head of the institution by listening to the horror-filled tales of four unfortunate souls. Written by Psycho's Robert Bloch, it's a fine vehicle for the assembled cast, and something of a high point for the Amicus studio, as was The House That Dripped Blood, another compendium piece by the same writer. This time it's a seemingly haunted house that links the tales as one of Scotlan Yard's finest tries to unravel the mysterious fate of its inhabitants. Each release comes with shedloads of bonus material that'll keep fans of clasic British horror tingling with delight well into the night.

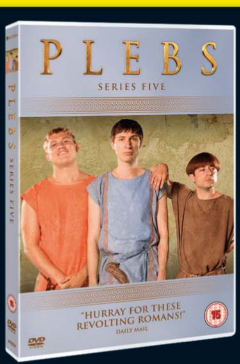
EUREKA!
ROD STEIGER AND JAMES COBURN WILL BLOW YOU APART!!
A FISTFUL OF DYNAMITE
DUCK, YOU SUCKER!
BY THE MASTER OF ADVENTURE SERGIO LEONE

## A FISTFUL OF DYNAMITE

**Eureka Entertainment**

**James Coburn, Rod Steiger, Romolo Valli.**

Only Director Sergio Leone could use the word 'Fistful' in a film title following his classic spaghetti western A Fistful of Dollars, and so he did, with this, in 1971. You've got to wonder at the film's original title, though – Duck, You Sucker! Maybe it lost something in translation…? In any event, this grimy, sweaty western's very much in the style of its antecedents, with toothsome James Coburn playing an Irish revolutionary with a penchant for explosives hooking up with Rod Steiger's Mexican outlaw in order to commit all sorts of spectacularly violent crimes to destabilise the ruling regime and enrich themselves along the way. Initially overshadowed by its forebears, Dynamite's reputation has grown over the years, and with a sparkling Ennio Morricone soundtrack, this new Blu-ray release is well worth catching.



## PLEBS SERIES 5

**Acorn Media**

**Tom Basden, Tom Rosenthal, Ryan Sampson, Amanda Holden.**

There's a small but select sub-genre of comedy that's set in the world of Ancient Rome – A Funny Thing Hapened on The Way To The Forum is the grandaddy, closely followed by Frankie Howerd's Up Pompeii's, but there was also Chelmsford 123 (remember that?!) back in the late 80s and, well, this – and it's up to its fifth series now which makes me feel almost as old as an actual ancient Roman myself. Rather than concentrating on the antics of slaves of a conquered people, it's the ordinary lives of a handful of ordinary Roman lads trying to go about running their lives (and their bar, the Crown and Toga) with a modicum of success but getting into all sorts of scrapes along the way. Standard sit-com material, but with sharper writing than most that puts it ahead of much of the competition. A series 1-5 boxset is also available.

**Got a filthy tale or two to share with us? Stick it in an e-mail to clubdvd@paulraymond.com and you could earn yourself a great big bundle of filth!**

My hubby John plays football for a local team. It keeps him in reasonable shape (he's quite a few years older than me, and needs all the exercise he can get!) and gets him out of the house for a few hours on a Sunday morning, leaving me to have a nice lie in on my own. I'd never actually gone along and watched a game – shivering on the touchline while a load of middle-aged guys ran around shouting didn't really appeal, but a few months ago his club decided to have a social evening and, not being able to think of an excuse to give it a miss, I agreed to go.

The team had booked an upstairs room in a large pub in town, and when we got there it was already in full swing. Sure enough, there were plenty of guys John's age, necking pints and getting a bit raucous while various wives and girlfriends either stood around looking slightly bored or tried to chat to each other in quiet corners.

John was soon in the thick of it with his mates, leaving me alone by the bar and wondering how long we were going to be staying. Suddenly I heard a voice beside me and turned to find a guy of about 23 smiling.

"I don't think I've seen you watching any of our games," he said, "I'm sure I'd have noticed you if you had."

I felt myself blush a bit, and hoped the subdued lighting would mask it.

"No, I'm not really into football, to be honest – I'd rather stay in bed," I replied.

"Looking at you, if I were John I think I'd rather stay in bed as well," he grinned, and I felt myself blush fully – flattered by his compliment but also a bit taken aback by his audacity, especially with my husband no more than a few feet away!

He introduced himself as Mark and we chatted a bit more about this and that – he's only been playing for the team for a few weeks, and didn't really know anyone that well, having only moved to the area recently. I actually felt a bit sorry for him – especially when I saw he was only drinking a soft drink. It turned out he was driving, and had to be up early the next morning.

Anyway, the evening wore on until finally people started to thin out. I was feeling pretty tipsy, while John was absolutely hammered.

**"MARK PULLED ME CLOSER AND I FELT THE BULGE OF HIS DICK AGAINST MY BELLY."**

"We'd better get a cab, love," he slurred, but suddenly Mark reappeared to offer us a lift. I felt my pussy give a little tingle and accepted immediately. I didn't think anything would really happen, but it was flattering to have this younger man being so attentive.

Anyway, by the time we got home John was fast asleep in the back of the car. Mark helped me get him into the house and up the stairs, where we lay him out on the bed. Once back downstairs I thanked Mark and, possibly emboldened by the several glasses of wine I'd had, leant forward to give him a peck on the cheek by way of thanks. But somehow, I don't know if it was really deliberate on my part or not, I ended up kissing him full on the mouth. Our lips lingered together and it seemed that there and then we both knew exactly what was going to happen next…

Wrapping his arms around my waist, Mark pulled me closer to him and I felt the bulge of his swelling dick press against my belly. I suddenly felt hornier than I had in years, and I reached down and gently massaged his knob through the front of his jeans. I knew that John would be sparko for hours, but I was still a bit anxious and thought we shouldn't waste any time. I wanted his cock inside me, and I wanted it there now!

Releasing myself from his hold, I yanked down my knickers and hitched up my skirt. "For God's sake fuck me!" I gasped, and Mark grinned. Without further ado he unbuckled his jeans and out sprang his lovely fat dick, already fully erect and ready for action.

I opened my thighs and wriggled my hips, inviting him into me, and he didn't waste any time, getting on top and nudging his fat pole between my juicy lips. All I wanted was a good, dirty fuck, and Mark seemed happy enough with that plan, sliding his pole deeper and deeper into me until I'd taken up every inch of it.

Thrusting my hips up, I started fucking myself under him until he took up the baton and started to thrust away. Every time his dick slammed into me it sent shockwaves of pleasure through my

# THE DAY!

entire body. I was so turned-on by the sheer naughtiness of the situation I knew it wouldn't take me long to climax, and reaching down I pressed a couple of fingers over my clit – something that always brings me off fast.

Sure enough, I was quickly overcome and convulsed through an intense orgasm. As my cunt spasmed round his cock, Mark grunted and, with a final powerful thrust, flooded my pussy walls with his hot come. There seemed to be loads of the stuff, and I squirmed beneath him as he drained his heavy balls inside me.

Since then Mark's stopped playing for John's team, but that's fine with me, because it means he can come round and see me on Sunday mornings! John gets his footy and I get Mark's lovely cock, so everyone's happy!

# SASKIA

Remember 'Rear of the Year'? It probably doesn't exist any more, given that we're not really meant to ogle girls' bums in public any more. Still, This isn't in public, is it – which means you're perfectly welcome to ogle Saskia's bum which, if only the award still existed, would most definitely be in the running! Hang on – a quick bit of online research reveals that the award does still exist, and that Amanda Holden won it this year. No disrespect, Amanda, but Saskia here was robbed!

**Avi might be a mere slip of a thing at 24, but she's clearly got a bit of the old school about her if that muff she's sporting is anything to go by – it's right out of the 1980s handbook on fanny foliage!**

**"Ha, yeah - I think there are quite of us who are going back to the furrier look these days!" she grins, giving her bush a little rub. "I don't know if I'd call it a backlash, but I definitely love my pubes!"**

**And so do we!**

DVD OF THE MONTH!

WICKED
HE LOVES ME IN PLAID SKIRTS & PANTIES
Wicked
KENZIE TAYLOR • MAYA KENDRICK
AIDRA FOX • EVELYN CLAIRE • LACY LENNON

## HE LOVES ME IN PLAID SKIRTS AND PANTIES

**Wicked Pictures**

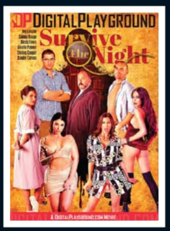
**Kenzie Taylor, Maya Kendrick, Aidra Fox, Evelyn Claire, Lacy Lennon.**

Yes, there's obviously a 'schoolgirl' vibe going on ehre, but Wicked get round it neatly by making this a pretty tasteful couply flick in which the clearly not 18 year old models get themselves all dolled up in the plaid skirts to please their fellas. And it works, too! Blonde Kenzie looks so fine in her get-up she can't help admiring herself in the mirror while her rather innocent looking man looks on, but he soon gets pay-off, feasting on her boobs and her furry foo-foo before a nice sofa shag rounds off with him painting her tongue. There are plenty more pubes on display in the next three scenes as well, two of which feature very cute redheads in Lacy and Maya. Aidra bucks the trend in the final scene with a shaven snatch and a blue/green skirt, but one way or another this is a classy enough offering from Wicked.

## SURVIVE THE NIGHT

**Digital Playground**

**Ivy Lebelle, Sabina Rouge, Alexis Fawx, Giselle Palmer.**



Pretty well every type of film's spawned a multitudeof porno imitators, but I can't remember seeing one that revolves around legacy hunters getting bumped of as they gather round the deathbed of a wealthy old codger… until now! With four randy sploshers and a couple of studs out to grab the loot, there's plenty of nefarious activity going on as they attempt to muscle in on the booty, but as well as murders to keep them on their toes there's also plenty of shagging, with Sabina and Ivy kicking things off with a fanny-lapping opener that sets the scene nicely for the boy/girl action to follow. Highlights from what follows are probably the back-scuttling for Ivy in scene three and (for old-fashioned muff lovers) the massive minge sported by Giselle in the closer.

6/10

## PRIVATE NUBILES

**Private**

**Alice Klay, Vikalita, Cornelia, Kimberly Clark, Sasha Sparrow.**

The young(ish) hardbodied sploshers on display here are all nubile enough, to be sure, with Director Sam Frost chosing to open the flick with a DP scene in which Cornelia takes on a brace of near identical, trilby-wearing cocksmen. Honestly, I always thought it was polite for a gentleman to remove his hat when he's nad deep in a girl's bum. There's more anal action for turquoise-haired Alice, then Sasha and Kimberley, before a final threesome which sees the very cute Vikalita being joined by Alice to ride the cock of a rather skinny stud who doesn't appear to be having half as much fun as I reckon I would be having in his place!

## YOUNG HARLOTS CLASSROOM SPECIAL

**Harmony**

**Tina Kay, Lady Dee, Amber Deen, Sahara Knite, Kiki Minaj, Lola Rae.**

Well there was me thinking the Young Harlots franchise had been put out to pasture, but Harmony have given Tina Kay a chance to helm (and star in) one more instalment. It turns out this is an all girl affair, which is quite a break with tradition, as is the lack of a location, with all the scenes being filmed in the same classroom. Still, there's no getting way from the fact that it's nice to see Sahara Knite back in action action, and indeed she's in scene one, giving Lady Dee a rather gentle caining before they show there's clearly no hard feelings by getting tucked into each other's snizz. A black strap-on adds to the fun, and from there on in it's a combo of two of the cast getting it on on the class desk. There's a spectacular squirt from Kiki to break things up, but you can't help thinking a bit more variety might have been welcome. **Available from your local sex shop.**

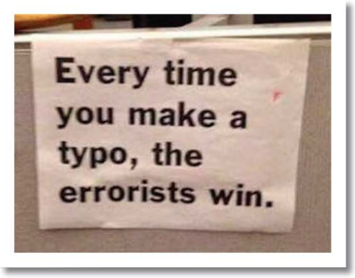
# FUN Bags!

## The joke is most definitely on you…



A woman accompanies her husband to the doctor's office. After his checkup, the doctor calls the wife into his office alone. He says, "Your husband is suffering from a very severe stress disorder. If you don't do the following, your husband will surely die.

"Each morning, fix him a healthy breakfast. Be pleasant at all times. For lunch make him a nutritious meal. For dinner prepare an especially nice meal for him. Don't burden him with chores. Don't discuss your problems with him, it will only make his stress worse. No nagging! And most importantly, make love with your husband several times a week.

"If you can do this for the next 10 months to a year, I am certain your husband will regain his health completely."

On the way home in the car, the husband turns to his wife and asks: "So what did the doctor tell you?"

His wife says: "He said you're going to die."

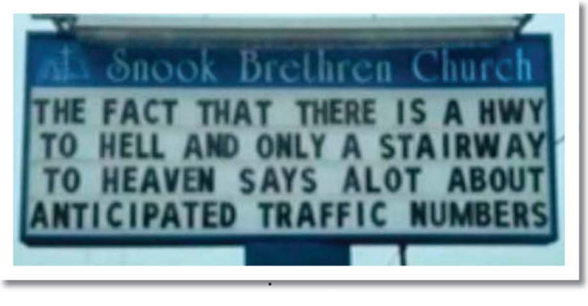
Two aliens land in the middle of nowhere near an abandoned petrol station. They approach one of the petrol pumps, and one of the aliens addresses it: "Greetings, Earthling. We come in peace. Take us to your leader."

The petrol pump, of course, fails to respond. The alien repeats the greeting. Again, no response.

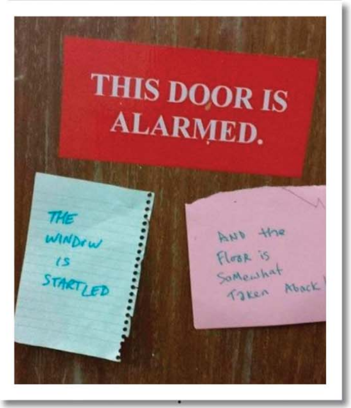
So then the alien, infuriated by what he perceives to be the petrol pump's haughty attitude, draws a ray gun. At this the other alien shouts to his comrade in alarm: "No – whatever we do, we don't want to make him angry!" But before he can finish his warning, the first alien loses his temper and fires.

There's an almighty explosion which blows both of them 200 yards into the desert, where they land in a heap. When they finally regain consciousness, the one who fired turns to the other and says, "What a ferocious creature! It damned near killed us! How did you know it was so dangerous?"

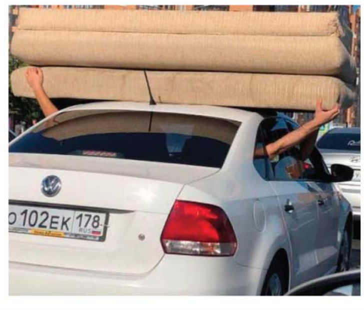
The other alien answers, "If there's one thing I've learned during my travels through the galaxy… any guy who can wrap his cock around himself twice and then stick it in his own ear is on no account whatever to be messed with."



Snook Brethren Church
THE FACT THAT THERE IS A HWY TO HELL AND ONLY A STAIRWAY TO HEAVEN SAYS ALOT ABOUT ANTICIPATED TRAFFIC NUMBERS



A funeral service is being held for a woman who has just passed away. At the end of the service the pall bearers are carrying the casket out when they accidentally bump into a wall, jarring the coffin. The mourners hear a moan from inside.



They open the coffin and find that the woman is alive! She lives 11 more years, and then dies.

A ceremony is again held at the same place, and at the end of the ceremony the pall bearers are again bearing the casket outside into the cemetery. As he follows the coffin, the husband yells: "Watch out for the fucking wall!"

A guy is walking down the pier in Brighton and he runs into a hooker.

He asks: "How much?"

She says: "Twenty quid."

He says, "All right."

They climb down under the pier, and he bangs away until the deed is done.

The next night, he runs into the same hooker and they go under the pier, only this time while he's banging her, she lets fly two incredibly loud, powerful farts.

When they're finished, the guy he hands her £25.

"What's with the extra fiver?" she asks suspiciously. "You getting' all sweet on me?"

"Not at all," the guy says. "That's for blowing the sand off my balls."

Having determined that the husband is infertile, a childless couple decide to try artificial insemination.

When the woman turns up at the clinic, she is told to undress, get up on the table and place her feet in the stirrups. She is feeling very uncomfortable about the whole situation and when the doctor starts dropping his trousers and underwear she freaks. "Wait a second!" she shrieks. "What the hell is going on here?"

"Don't you want to get pregnant?" asks the doctor.

"Well, yes, but…" stammers the woman.

"Well then lie back and spread them," says the doctor. "Were out of the bottled stuff, so you'll just have to settle for what's on tap."

A little boy's dad picks him up from school. Knowing the parts for the school play were supposed to be posted today, he asks his son if he got a part.

The kid enthusiastically announces that he has, indeed, earned a role.

"I play a man who's been married for 20 years," he explains excitedly.

"That's terrific, son," his dad tells him. "Keep up the good work and before you know it they'll be giving you a speaking part."

# JASMINE

# JASMINE

And so here we are with the final Jasmine of our little two issue Jasmine-fest, and who could blame us for going to town on the name when we had a cutie like this tucked up our sleeves? Still, the girl herself couldn't give a toss about how many other models share her name – she's far too bust making the most of her Club DVD shoot...

"Too right I am! I love getting dolled up in this sort of outfit – it always makes me feel horny, so just let me know when I can peel off and have a wank!"

OK, well whenever you're ready! In fact perhaps we'll join you...
